Glows from the rays of the rising sun
. . . the Beginning

Anticipation of things to come and events to happen — we hesitate, then leap ahead. The future is ours.

The newness of the day . . . It is time for preparing, thinking of our future, where to go, how to get there.

The Sun lights the many paths to new horizons.

Ahead lies the unknown — hopes and fears of untried paths.

WE THE CLASS OF 1979 DEDICATE OUR YEARBOOK TO ALL OF OUR TEACHERS: NOT ONLY OUR SCHOOL TEACHERS, BUT OUR PARENTS, FRIENDS, AND EVERYONE ELSE WHO HELPED US TO BUILD A SOLID FOUNDATION UPON WHICH OUR LIFE CAN BE BASED

OUR PERSONNEL

They gave us kindness and wisdom
To teach us the worthier things . . .
Patience enough to encourage our hearts
To love life, whatever it brings.

They inspired us to look for and find
the best in ourselves and each other.

How can we express the gratitude
we will hold in our hearts forever?

Our many thanks to the MHS Faculty

115000

DR. LINCOLN D. LYNCH, Superintendent of Schools

To the Class of 1979

A thought for today, tomorrow, and forever:
If you think you dare not, you don't.
If you like to win but think you can't
it is almost certain you won't.

If you think you'll lose, you're lost,
For out in the world we find,
Success begins with a fellow's will
It's all in the State of Mind.

If you think you're outclassed, you are.
You've got to think high to rise,
You've got to be sure of yourself
Before you can win the prize.

Life's battles don't always go
to the stronger or faster man,
But sooner or later the man who wins
Is the man who thinks he can!

KENNETH L. JOHNSON, Principal

To: Class of 1979
Aesthetically, it is time.

It is time to inculcate an appreciation for life's eternals throughout your curricular being.

Many are obsessed, almost confined, by their over-concern for bricks and mortar rather than form, shadow rather than substance.

A singular aspect: consider the universality of music and the arts. Line and form as laid down centuries ago are as critical today as ever before. Embellishments come and go but the true essences remain unchanged.

Indeed, it remains for you to nurture and develop within the framework of each discipline to which you adhere, academic and non-academic, this identification of and appreciation for those universals inherent in its particular design.

Aestheticism, philosophically, can never be denied.

The 1978-79 MHS Band, with over 100 members, is one of the largest ever. Eighteen Seniors are in the band.

The Football season was successful for the Band, as it was for the team. The theme revolved around popular TV programs. Theme songs from Love Boat, Three's Company and Hawaii 5-0 were popular. Also well received was the CBS fanfare "Championship", an appropriate theme for the Football season.

On April 7, the Band participated in a MICA competition at Fitchburg State College. This competition provided the band members with the opportunity to hear other bands in their class.

Still in the experimental stages is the splitting of the band into two, a wind ensemble and a Symphonic Band. Since the band is so large and there is a wide variety of musicianship, this will provide for the different interests of the students.

Our roving reporter asked some members of the Band about the program and their involvement with it. Bob McGuirk ('82) of the Clarinet section said that he enjoys music and hopes to pursue it as a career. He feels the experimental wind ensemble band is an excellent idea because it is more challenging. Sue Matthews, a Senior in the Saxophone section, told this reporter she wanted to pursue music as a career and took up Sax in her Sophomore year so she would have knowledge of a wind instrument. Sue feels that band is interesting and the half-time shows at football games are exciting.

Craig Nelson is a new member to the Music Department at MHS. He is impressed by the size of the special music suite and feels that the program here is well developed. When Mr. C. Nelson was asked about his reaction to his position, he said that although he was nervous at first, his students put him at ease. He feels that the Marching Band should be a learning and entertaining experience for the students.

The future? Enrollment is increasing and MHS can look forward to even larger bands with options developed according to student interests.

CAROL PICONE SPENDS SENIOR YEAR IN SWEDEN

Partying with some Swedish friends

Enjoying the beauty of the country

Dear Classmates and Friends,

Being an exchange student in Sweden has given me the opportunity to broaden my knowledge in many areas. Rather than cramming facts into my head I have learned more common sense than ever. When first arriving in Sweden I had to contend with the problem on not knowing the language. School seemed to be difficult because of the language barrier but as time went on the language became less difficult and I was able to speak well enough to make conversation. Leaving all of my friends hack home and coming to Sweden was one of the hardest things I could have ever done but I've made it work and I've enjoyed my time here. Being in Sweden has been one experience I will never forget and I hope many other people will be able to experience what I have. There have been many times that I've felt a little homesick, but for the most part I tried to always keep myself busy by gaining tremendously in self-knowledge and knowledge of others.

My experiences on this trip are not too different from what I had expected. I have kept a positive attitude during my year in Sweden and have grown from all the opportunities to learn.

Looking forward to seeing you again —

Sincerely,
Carol

ANITA DEO SPENDS SENIOR YEAR AT MHS

With Anita and Honey Dad, Mom and Jeanne October 1978

With the Rotary President, Mr. Schmidt, and another exchange student

Sharing a Middleboro Christmas with host sisters

I find myself sometimes sitting down and thinking about the past few months of my life. It is kind of unbelievable that I really am in Middleboro. It was only in May, 1977 that I first applied to the Rotary for this program and a few months later I was told I would be coming here. Soon after this I received a letter from Mrs. Schmidt, my first host mother, and from then on the days went by in a flurry.

I was welcomed by my host mother at Logan, and a week later I joined you here at MHS. I must admit it was different, and I did feel out of place for a few days, but with the help of teachers and friends I was soon at ease. I have made quite a number of good friends who have helped me in many ways. I would like to thank them and I am very grateful to all of them.

During my stay, I have already travelled to New Jersey, Boston, Mystic, Cape Cod and other places and I will be seeing even more places.

Over the months I have been learning many new things which I will never forget. This year will leave a beautiful, indelible mark on my life. I would like to thank all the people I have met and known for making my stay here a very happy one. I value very greatly all of your love and friendly.

With lots of love,
Anita

Sarah wore pants!
Someone put a skunk in the ventilation system.
Sue wasn't ill?
Tony got his shirt in the lathe in Metal Shop?
Debi, Karen and Claire went to see Wanda in the hospital but got lost.
We had to run for the busses . . . we usually made it.
We took that test.
We had the "DECA Buds" of '79.
The NHS filled Beth's trunk with leaves.
Stump got caught walking down Mass. Ave. by a bus on a China field trip.
Bonnie stayed home from school to see Barry Manilow on TV.
Ellen shaved her eyebrows.
Sarah almost burned her hair in IME Science.
Pam "Screamed" instead of "Screened" in Freshman Basketball.
We tried to keep our game jerseys.
Tom started the year off with a "bang" in the student parking lot.
The Basketball team made it to the quarter finals of the Tech Tourney.
Cheryl got hand cuffed during 7th period.
Cheryl, Lynda, Dorraine, Beth, and Sue went around and around the rotary and the Dunken Donut group followed.

The MHS Varsity football team had a very successful season capturing the SSLeague championship and going on to win the Superbowl for the Division IV title. Early in the season, the mighty Sachems proved to be the dominant team in the league with their decisive victories over Apponequet, Duxbury, Cohasset and Norwell. After defeating Abington in the rain, the Sachems met undefeated Holbrook and embarrassed them by a score of 38-0. Excellent effort was put forth by the offensive line, the defense, the backs, and the kicker.

A close loss to Hanover did not diminish the team's morale for they bounced back the next week to beat the Hull Pirates. The next game, against Wareham decided which of the two teams would go to the Superbowl. Thousands of fans showed their support as the Sachems won 14-7. On Thanksgiving, the Sachems completed their season by outclassing East Bridgewater and then it was on to SUPERBOWL for the Sachems!!!

Runners to your mark, . . .

The Girls Cross Country team finished their season well this year despite the size of their team. The team competed under toe strong leadership of the tri-captains Beth Cousins, Linda Hecks and Carol Clarke. Beth was also awarded MVP. Excellent performances were also put forth by Anna Gerrior, Donna Maxim, Claire Cadorette, and especially Nancy Howes, who was the only first year runner. Recognition should be given to Mr. Libby who succeeded in keeping this small but determined group together throughout the entire season.

The record of the MHS Cross Country Squad, again undefeated in dual meets and first place in Invitational meets, speaks for itself. It was a superb season fashioned by exceptional runners competing for a Middleboro squad wherein excellence of performance became the standard.

When reduced to basics, the statistics mean that the Middleboro team defeated the first 70 competing teams it met this season.

Immodest words from the coach? To the contrary, in that the runners themselves are responsible for their record; and for the record, I have to say that this year's squad is the best I have coached in 16 years of experience.

The front seven runners largely responsible for our success were: Troy Bickford, Jeff Viera, Greg Clark, Rick Donovan, Steve Bradley, Steve Mills, and Tim Varney. The remaining members of the team also had a role in this season of seasons. They constantly pushed our Varsity runners in practice and in meets, occasionally beating one or more of them. This group consists of Randy Nunes, Mike Parent, Rick Lee, Pete Cadorette, Glenn Bigelow, and John Cadorette.

We also had an unseen force on the squad this year, a force that was always present at practice and meets providing incentive and encouragement for our squad members. This group consists of runners who were injured during the season and therefore unable to compete. Included in this group are Mike Schaaf, Roy Sylvia and Scott Turney. The Freshmen in this group will be a very important competitive force on the team for the next three years.

To Seniors Rick Donovan, Steve Mills, Mike Parent, Roy Sylvia and Bob Bruillard, remember: your successes, John's Pond and Pop Tarts, relaxed running at Sandy Neck, to check your shoelaces, which way to go and to make your own luck.

To one and all, thanks for your best.
'Coach'

WE ARE

This fall sports season will long be remembered for the achievements of the Boys Cross Country and Football teams.

Cross Country Coach Jon Majuri certainly knows the feeling of being #1. The team, with a 67-0 Dual Meet Record over six years ran away with the SSL Championship and earned a berth in the State Meet. Even though MHS was one of the smallest schools represented, the Sachem runners placed sixth out of 21 teams. The squad came in first in the following meets: Division III of The Catholic Memorial Invitational Meet, Division III of the SSL Principals' Invitational Meet, and Division V of the Massachusetts State Meet.

On December 2, Middleborough fans swarmed to Parsons Field for the Division IV Superbowl against Dom Savio of East Boston.

The game started out well for the Sachems. The Sachems kicked off and the "D" immediately shut down the Savio Spartans. The turnover fired up the Sachem Offense. After a steady march to the end zone, Dan Leonard scored the first touchdown of the game. Tom Kayajan's point after kick made the score 7-0, which was all the Sachem scoring needed for a victory.

Second quarter brought some of the most exciting moments of the game. A Savio scoring threat was turned back from the one yard line by the powerful Sachem defense, leaving the Spartans at the 15 yard line.

Half time will be remembered with pride by Middleborough fans. Our band of over 100 members, Twirlers and Color Guard put on a well rehearsed and entertaining program. The Cheerleaders, with the able assistance of Robbie James, also outclassed the opposition.

In the second half, multiple turnovers halted scoring attempts by both teams. Savio finally scored a second half touchdown but failed in a two point attempt. This was the end of the scoring and the Sachems returned home with the Superbowl Championship after an exciting and hard fought 7-6 victory.

This game was characterized by a fine team effort in which all players did their job. Congratulations to the Sachems for a job well done!

The 1978 Soccer season was the most successful in the history of the sport at MHS. The Varsity recorded a record of 7 wins and 9 losses, good for fourth place in the South Shore League. Larry Letterman broke the school record for most goals in a season with 21. John Thomas was voted MVP and George Marble most improved.

Because of the number of underclassmen involved in Soccer, the future appears bright for the upcoming Soccer season.

FRESHMEN

1979 has once again proven to be the "Year of the Sachem". Although Middleboro got off to a slow start in the season, with skillful plays, teamwork, and excellent coaching, they ended up Number One in the South Shore League. Tied for first place with Holbrook, Duxbury, and Cohasset, the MHS team, with great support from the community and the "Superfans", rallied to beat Holbrook by a score of 79-48. and Cohasset by 20 points. The mighty Sachems kept up their winning streak through the games that followed beating their all time rival Hanover and winning the decisive game over Duxbury 65-60, capturing the league title for MHS. The game against Duxbury was also Coach Littlefield's 200th career victory. Congratulations to both the team and the coach for the excellent performances they gave us all season. Their performance in the South Shore League has qualified them for the state tourney.

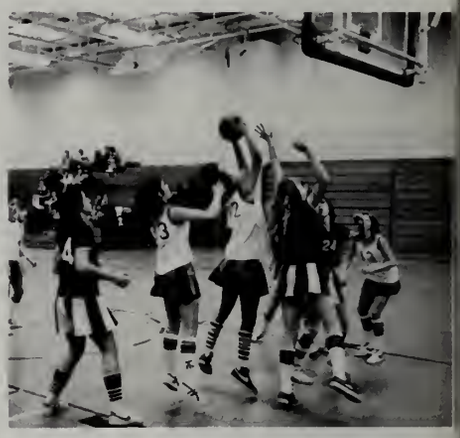
Breaking through for 2!!

Blocking the shot



Due to the majority of underclassmen on the Varsity team, this year was mainly spent on developing various skills needed to produce a championship team. Facing some of the toughest teams in the South Shore League early in the season, the girls put forth their best effort and although they lost several games, they never gave up and the old "Sachem Spirit" was always present. Due to the fact that only two Seniors will be leaving the team, the future looks bright. Congratulations to both the team and the coach for the great effort put forth all season.

"Say uncle . . ."

This year's Wrestling team got off to a good start and finished with one of the most impressive records in memory for Sachem Wrestlers. This is demonstrated by the 5th place out of nine teams at the Marshfield Invitational Tourney. The second place finishers for MHS were: Rick Leo (107 lb. class), Dan Michaelis (167 lb. class) and Scott Ekstrom (187 lb. class). Rick Holdsworth placed 4th in the 128 weight class. Squad members thank Coach Rod Berry for his enthusiasm and dedication and wish him much success in upcoming seasons.

THEIR ADS

As the sun sets on our days at MHS, we know that it marks the end of our high school days. Our town seems to be approaching the end of an era.

We will take different paths. But all these paths begin here, in our town.

The shadows of the setting sun drift acorss our paths, always affecting our travel.

Change.
A sometimes lonely word, it speaks of being
  awkward, strange, unfamiliar.
A fearful word.
Changing is hard work for a human being; it can be
  painful and unpleasant.
Even when it leads to something good, like
  independence, self-reliance, or greater happiness.
We do not change easily.

When you find yourself faced with change,
Think of all the changes you've faced already:
  getting your driver's license, your first date, your first job.
Remember how you felt after each one;
  How silly all the worry seems now.
Make up your mind to make change as smooth as possible.
Change can be healthy —
  There is no growth without change
  and no life without growth.

MIDDLEBORO, MASSACHUSETTS 02346

Dedicated to the perpetuation of Athletics and good Sportsmanship in memory of Paul and Irving Mitchell

Looking Back, we say Good-bye
Looking Ahead
We say Hello
To a new Horizon
As students we learned
about life, about others,
and most of all, about ourselves.

An End is
a start of
a new beginning.

A graduating class and a school
. . . hand in hand,

heading for new horizon

We travel the path

through time

to new horizons . . .

. . . Sunset to our days at MHS
